Application for National Mediation Helpline (NMH) Membership – January 2006

Dear Sir/Madam,

Thank you for expressing an interest in becoming a mediation provider for the National Mediation Helpline.

Please find attached the application form.

Since the NMH started in November 2004 it has always been our intention that once the initial pilot period had passed we would open up the provider membership to a wider audience, and we have worked closely with the Civil Mediation Council (CMC) to achieve this.

The CMC launched its Civil Mediation Provider Accreditation Scheme on 9th December 2005 and as such we can now invite applications for provider membership from both local and national providers.

We will be launching the revised service on the 1st April and therefore request this round of applications to be submitted by no later than the **10th March 2006**. Any applications received after this date will be returned.

The next round of applications will be in September 2006.

Yours faithfully,

Diane Flanders
Project Manager

For and on behalf of the NMH Project Board
